### The Freedom Scholars Program:

Tri-County Freedom Scholars are outstanding high school students who qualify for **additional** scholarship assistance through their significant academic achievement of 3.0 or better GPA. Tri-County offers special support to these exceptional students, funding 50 Freedom Scholars per year. Freedom Scholars have the bulk of their tuition paid, with their families paying the remainder. They benefit from special mentoring, tutoring, and assistance with college testing and essay preparation.

*"As a first-generation Latina the odds were stacked against me for academic success, but Tri-County helped my family afford to send me to private schools. The foundation I received in middle and high school helped me to pursue my dream of becoming a psychologist. I look forward to the day when I give back to students like me in the future."*

*Without Tri-County, my family could not have sent me to DePaul Catholic High School. Thank you donors for continuing to help students like me to receive an excellent education and to go on to college to fulfill their dreams." —Isaiah*
